
Apartment Pinada Beach III in La Mata Ref : 01882

Description

A luxury apartment with 3 bedrooms and 2 bathrooms. Air conditioning on the beautiful beach of La Mata (Torrevieja).

This beautiful coastal residential complex Pinada Beach III is located in La Mata (Torrevieja), a seaside resort located between Guardamar and Torrevieja. Just 50 meters from the longest and cleanest beach on the Costa Blanca South. An apartment where you can fully enjoy the sea, the beach, nature and the many services that can be found here. The town of La Mata has everything, restaurants, cafes, bars, beach bars, an amusement park for children, a supermarket, a bakery, etc. short distance.

The apartment is located on the third floor of the three-story building whose location is almost on the first line. The apartment offers a beautiful sea view from its terrace. The building has several elevators and a wheelchair-accessible entrance to the complex. A secure parking space is available in the garage under the apartment complex.

Air conditioning, hot and cold, throughout the apartment. It is a complete luxury. Everything has been designed for comfort. In the kitchen there is a large fridge freezer, dishwasher, washing machine, oven and microwave, coffee maker and kettle. It has everything. It has satellite television with which you can watch English television or many other international channels. The living room is spacious, with a table and six chairs in the dining room, a large sofa, a table and a TV cabinet. From the living room you walk to the balcony, which faces south, from where you can see the sea to the left. The balcony has a table and six chairs.

The master bedroom is located next to the terrace and has a double bed, with nightstands and a large wardrobe. This room has a private bathroom with underfloor heating. The second bedroom has a double bed, with bedside tables and a large wardrobe. The last bedroom has two single beds. The last two bedrooms use the guest bathroom which also has underfloor heating. All rooms have blinds. All beds have excellent pillows and blankets. There are more extra cushions in the cabinets. There are two nice bathrooms. Both bathrooms are spacious with shower trays, a large sink with drawers and toilet.

The apartment has shared use of the three swimming pools. A large pool with a solarium area overlooking the dunes, a smaller pool and a pool just for children. There is also a common roof terrace (solarium). On the roof you can relax and enjoy a beautiful view. You will see much more than 50 km in the direction of Alicante and Benidorm. There are showers, toilets, barbecue areas and sink areas.
