New built apartment in Torrevieja Ref: 301824

Beschrijving

Modern and fully equipped apartment in the center of Torrevieja. It features 3 bedrooms and 2 bathrooms, ready to move in. Playa del Cura is just a few minutes' walk away, and the area offers a wide range of shops, bars, and restaurants.

The apartment comes with kitchen furniture and a complete set of appliances. The building is equipped with a solar panel system for water heating and central air conditioning for heating and cooling, ensuring energy savings.

Amenities include a heated seawater pool, Finnish sauna, and a community chill-out area. The bathrooms are fully furnished, with underfloor heating and shower cabins. The apartment also features high-quality Salamander glazing, automatic shutters, and an intercom system.

Everything is designed to offer comfort and efficiency.
